

Southwest Texas Winter Camp Meeting 2012

South – January 23-24

North – January 26-27

Evangelist Jeff and Norine Spring

The powerful and dynamic ministry of Evangelist Jeff Spring is evident in his unorthodox ministry of the Word. As a full-time evangelist and pastor for over 30 years, his humor and down to earth application of biblical principles will not only entertain you but will impart the life changing power of the Word of God.

Jeff has been a rodeo cowboy, an all-star football player, and now travels internationally preaching the Word of God. Jeff is a true revivalist and there is always a powerful demonstration of the Holy Ghost that accompanies the preaching of the Word. Jeff and his wife Norine have recorded both secular and religious music projects and sing with a special anointing that will stir your soul. Their ministry will ignite an unquenchable fire and zeal in the heart of everyone whether young or old. He will challenge you to realize and fulfill your full potential in Christ.

Come with an expectation that the Lord wants to minister to your spirit. Every pastor, minister and lay-leader needs a fresh encounter with the Holy Spirit. These meetings are intended to bless you and your ministries.
